“ To the family: My prayers and thoughts are with each of you as you face the difficult days ahead. Aunt Esther will be greatly missed but she is in no more pain now and rejoicing with the angels. She was one special lady who loved her family, friends, her Lord, and anyone who came in contact with her could not help but love her. She never met a stranger and loved doing for others. Cherish all the memories you have and she will live on through each of you. I love each one of you and I am here for you.

Aunt Esther - I have so many memories and I will cherish them. I know you are rejoicing with the angels and other loved ones that have gone before. I am going to miss you. RIP
