“ *Aunt Etta was such a sweet wonderful lady, so down to earth, so honest, so Godly. She smiled all the time and loved from the bottom of her heart! The best memories I will carry with me will be sitting with her and Moma shelling butter beans and peas and listening to the stories they talked about, I learned alot about family and life itself. Of course at that time I didn't realize it as much as I do now. Bobby, Betty Jean, Mary Lou, Brenda and Buddy, my heart and love will be with you during this time. The hand of God and the love you all have for each other will help you get through this tough time. I love my Aunt Etta and I love you all too!*

“ I will miss Aunt Etta and I know you all will. I enjoyed my visit with her and the family a few weeks ago. She made me feel like it was old times and asked about so many family members. Keep your great loving memories with you. I Love you all.

“ To the Family: I will always remember that Ms. Etta was a very special lady when I was growing up. She was my dad's 1st cousin (J.D. Jones) It has been awhile since I have seen her but I always heard and still hear good things about her. I know she will be greatly missed and I know Aunt Esther will miss her too. My heart goes out to each of you during this sad time and the difficult days ahead. May God wrap his arms around each of you through the days ahead. Ms. Etta lived a long and happy life so cherish the memories of her as they will live on through each of you.
