“ *Carl, I am so sorry to hear of the passing of your mother. She was one of the "teachers" from HJHS I remember most. I tread lightly around her as did all my peers. Her strict study hall reputation preceded her. I remember her embarrassing students who talked, slept or even had a scent of cigarette smoke on them. She ran a tight ship! I also remember the help she gave me with school work I couldn't quite get straight. A truly classy lady with an altruistic nature. My prayers are with you all.*

“ Carl, Deb, Kim and Pennington Family,
I am so sorry to hear of your loss. I will be praying for your family during this difficult time. I remember seeing her so many times driving by my Mom's house . It was in normal path home or away, whatever the case may have been. She was always neat as a pin and had a lovely demeanor about her. I remember she helped with the Civinette's Carnival every Halloween when I was a child and later when I had my children also. Always helping and offering a hand. I know you all will miss her dearly. Cherish your memories of her in her finest hour and you will always keep her alive in your hearts.
