“ Cheryl and Family,
I was so sorry to learn of your Mom's passing. I know it has been a struggle for you for several years now. I have fond memories of our childhoods together with your loving mother and mine, looking over us while we were very precocious. I know all of you will miss her, but I also know she will be looking from above, so proud of all of you. She had a lot of love for everybody. I will be praying for you all, that God will grant you the grace to pass through this hardship.
Sincerely,
Linda Knorr

“ Dear Cheryl, I am so glad we got to speak yesterday in Walgreens. It was wonderful to see and talk with you after such a long time. You shared that your mama wasn't well and hadn't been for some time. Having lost my mother, I can relate to what you are feeling now. I also know that you, like me, wouldn't want her back with us even if it were possible. Our tears are for us, because of the love we have for them. Please know the family is in my prayers.

In Christ's love,
