“ We would like to send our thoughts and prayers to the family for the loss of beloved Evelyn. We loved her very much and will remember the great times we spent with her at the family reunions in Charlotte.

We will always remember her smiling face, all the great stories she shared with us about her Dad and Mom, family and friends and mostly about her loving daughter Kim.

May all the memories of her stay in your hearts and know that she is no longer in pain. Please find peace in the days ahead and know that we are sending our love.

“ *OMG, Johnny I can't believe what I am reading. I tried to call Evelyn in the hospital and the phone rang about 15 times and no answer. Then she went to ICU. I am heart broken. I love both of you and we have been through a lot together (the 4 of us). She was a beautiful soul, and pretty from the inside out. I will miss her deeply and I will keep you and the extended family in my thoughts and prayers. Until we meet again, my friend.*

“ Aunt Evelyn was one of the most beautiful person I know. She kept every secret I ever told her. She loved and accepted me unconditionally. I always knew that no matter what, Evelyn would love me. She was a precious lady.

One of my fondest memories of her is when I drove her one year to the family reunion. We talked and bonded the entire way there. I don't think I ever enjoyed a road trip as much as I enjoyed that one with her.

Evelyn will forever be in my memories and therefore, her "spirit" will remain alive.

Evelyn, thank you for the awesome hugs you gave me, for loving me unconditionally, for accepting me just as I am, our long talks (although we didn't have many of them), keeping my secrets, and for praying for me. I love you dearly and I'm sorry that I didn't call & visit you more often. I love you.
