“ *I was privileged to work with Evelyn for many years. Her bright smile and special caring ways toward everyone always made her a true joy to be around. She had her life well ordered, because she placed her faith first, followed by family and then work.*

*Along the way, she raised a wonderful family, who followed her ways in their lives.*

*We can thank Our Lord for giving us Evelyn, and making us better, because she passed our way. We will pray for her, and, in a real sense, pray to her, when we need her example.*

*May she rest in peace.*

“ Betty Ann, Larry, and Glory,  
I'm pretty sure y'all know how special each of you are to me and how much I loved Aunt Evelyn and Uncle Perry. I am going to miss the weekly phone calls that Aunt Evelyn and I had before she had to go to Morrell's. If I did not call her in time, she would make sure to call me. I will always remember the countless times I spent with Aunt Evelyn and Uncle Perry and the entire family. Each one of you are salt of the earth, good people and that is a direct result of having Evelyn and Perry Johnson as parents. Larry, you have always been more like a brother than a cousin. All the time we spent working and hunting together will never be forgotten. I've learned a lot from you, just as I did from your parents. Your family is strong and you will help each other get through this sad time.  
I am proud to be a part of the Johnson family.

“ Dear Gloria, Larry and extend family, On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, reminds us that in my Father’s house are many rooms; if that were not so, he would have told us and He went there to prepare a place for us. Family, earth is not our home, and we are only passing through this land, so hold on to the promise, for one day we will see our loved ones again. My prayer is that God will continue to hold you close as you press on.

“ *Dearest Cousins: our hearts are saddened with the loss of your mom. Aunt Evelyn was a very wise and sweet lady. I always enjoyed visiting her at Morrells. She always had some good advise to give. Of course, I could count on a loving hug from her and I was happy to give one back. Now she is with Uncle Perry and all the others. I bet my Dad was surprised to see her so soon but what a great time they are having up in heaven. She will be missed greatly by all who knew and loved her. Know that Fred and I have you in our thoughts and prayers. We know what you are going through and believe that the Lord truly gives that peace that passes all understanding. May HE be your strength during this difficult time. Much love to you all.*

“ To the family, so saddened about Aunt Evelyn, she was such a strong, positive and loving person. We're so blessed to have had her in our lives growing up, so many wonderful memories. When she and Uncle Perry would come to visit us, he would do his famous tire spins in the yard as they were leaving and she would just laugh at him. Heaven has gained another angel. God bless you all during this very hard time. Love, Kathy, Wes and Brandon
