“ Mrs. Watson was the best friend of our mother Jane Galloway. She offered our mom a job at DSS so many years ago and they had such a great friendship even after they retired. They truly respected each other. I believe they talked every day. Mrs. Watson and Lyla often traveled with my mom up to 80 miles to see our kids play ball. Always so kind and gentle and so smart. Mrs. Watson was family to all of us and we loved her. We were blessed to have known her and I know our mom was standing at the pearly gates to welcome her home.
