“ Dear Teresa and family of Faye, I send my prayers and love as I walk down memory lane of Morton Circle the friends that seemed like extended family. We always loved the see-saw your dad made. Many times we walked to your home to get a drink out of the machine and talk to your Mom and Dad. Oh how times change. So many loved ones gone before us how we miss them. We have suffered great loss in our family as well so I know your pain. You are welcome to visit my brother who through me off that see-saw many times ago.

I wish we could call back time some times. But, where our loved ones are would never want us to wish that on them, from where they are. I send my Love, From NC, Debra Warren Crowley, GOD bless you all, and put your grieving hearts in GODS hands and let HIM heal you! Again always Debra###imported-begin###Debra (Warren) Crowley###imported-end##

“ *Teresa and Family,
Know that many prayers are going up for your strength during this difficult time in your lives. Proverbs 3:5-6 reminds us to trust in the Lord with all our hearts and lean not unto our own understanding, in all our ways we are to acknowledge Him and He will direct our paths. Be encouraged in knowing that yes you all were VERY good caregivers for Faye but our God is so much better. Faye is fine now and needs you to be also, be strong for each other and keep Faye's memories alive. God bless you all.##imported-begin##Angela Pullom##imported-end##*

“ To all the family I offer my deepest and most heartfelt condolences. I am one of the children that Faye to such a liking to. I have always been richly blessed by her kindness and her loving spirit. Today I rejoice with the heavenly host as they celebrate her homecoming, but I also feel the sorrow of the family. For I know the pains of loss. Faye was a model Christian woman and stood as a fine example of how to live the Christian life. I am grateful that God let our lives cross and that I had the opportunity to be friends with such a remarkable woman. I have asked myself may times why Faye took such great pride in following up with us kids.....I have only one answer – she loved us! Not that pretty, tied with a bow kind of love that looks nice. Her love was that “from the bottom of your heart – no matter what love!” Today she is at peace and is resting in the loving arms of her Savior. Till we see each other again...do what you have always been so good at...save me a spot.
LOVE,

“ To all of the Hodges family: I am so sorry to hear about Faye. I haven't seen her in years, but I always liked her and the whole Hodges family. I lived in Morton community as a young girl and got to know the family. I always used the flower shop and was glad to see Faye continue her mother's beautiful work. Sue and I graduated together from school. She was also a special spirit. It is very sad to see our family leave us. I loved your mom and dad, they were very good and kind people.
