“ I used to work with Faye at Hartsville Mfg Co. back in the mid eighties. What a cool woman she was. I am so sorry to hear of her passing on. She always will have a special place my heart. I have a small artificial Christmas tree of hers that she gave me that I put up every year, even now during the holidays. Please accept my condolences. She was a great lady##imported-begin##Billy funderburke##imported-end##
