“ Dearest Bill and family, I am so sorry that Aunt Frances is gone. I loved her very much even though I did not get to see her too often due to my work. She is with my grandfather "Tom" as she called him. I know those two are having a grand time right now. When I worked at Presbyterian home, I would go by and see her in the mornings and she loved to tell me tales of my grandfather and their childhood. I really hoped that she would live to be 100 as she told me once that she wanted to live that long, but GOD had other plans. It is sad because the last chapter of the "Harvin" book is closed as you and I knew it. I will cherish the happy memories of the visits to her house to vist with her and Uncle "Buck." I love you, Bill....Keep in touch, "Berta"##imported-begin##Roberta Driskell-O'Steen##imported-end##

“ *Bill, I was sorry to read of the death of your mom. She certainly lived a long and fruitful life. I know how hard it is to lose a parent, I lost my mom and dad many years ago yet I still wonder sometimes what dad would think of something that I have done. It was so great to see you a couple of years ago at the beach, hope we can all get together again soon. You are in my prayers old friend.##imported-begin##Archie Biggs##imported-end##*
