“ *I will always love Miss Francis. She made a huge impact on my life while I was growing up in Lydia. My Mama and I used to visit Miss Francis and she always had time to stop and have a glass of tea. I will never forget the beautiful music she and my Mama made together at Wesley Chapel Church.*

“ *She was the most wonderful woman in the world. She was my first best friend. She taught me to cook, to sew, to garden. We spent so many days together talking about any and every topic my little mind could dream of. She was patient and kind and explained everything I asked her. So many things in my life I do now the way she taught me to. Her picture hangs in my living room now but I carried it all around the world to distant lands and even to war time when I was deployed. Heaven could not receive a more beautiful angel. When I think of the standard of what a good woman is..that is you.*

*Love Always until we meet again

“ I have always loved Miss Frances King! I remember when I was a little girl and it was Halloween, her house is the first one we wanted to go to..she always had cupcakes and so many goodies and it seemed like there was no limit to what we could have. I also remember how much energy and liveliness she always had. Never saw her without a smile on her face. She could do anything,,,especially make curtains!! I called and talked to her after her nephew Buck died. She said she was going to be so lost without him. I will always remember Miss Frances..she was such a sweet and awesome friend.
