“ Frances was a beautiful, gracious, loving person that I have loved and admired since I was a child. My husband Wayne and I have visited with Frances and Ed in their home during the last two family reunions. She and I enjoyed our chats about the family and sharing old photos. She was a dedicated family historian. During my last visit, all of the family came together in the kitchen during a power outage, joined hands and hearts, and shared a parting prayer. It was a powerful and compelling moment in time. Thank you Frances and Ed and family. This is a memory Wayne and I will always treasure. Cheryl Bowen Sigler and Wayne Sigler, Maurertown, Virginia.

“ One the most beautiful, kindhearted people I've ever known. Always there to help others in need without complaint, criticism or judgement. If more people had the heart she did this world would be so much better. She will truly be missed. My heartfelt condolences to Ed, Windel and their families. Keeping all of you in my thoughts and prayers. 🙏
