“ My friend, Maeve Chadwick, asked me to relay her condolences and those of her friends at Table 8 at The Atrium in Jacksonville. I have lunch with Maeve about once a month and found Frances to be a gem -- gracious, smart, independent, delightful. We missed her when she decided to move, but knew she was doing exactly what she wanted -- to go home. What a great spirit! I'm glad to have known her and sorry for your loss.

*P.S. Frances was a favorite of Kiki, our usual server. Kiki also sends her condolences.*
