“ Hi, Elizbeth--I just learned about this website when Richard's mother passed away. I asked mom how you are doing just this past week when I visited with her. Hope you are doing well. I too remember all the fun times we had learning to swim in your backyard and how nice your mom always was to all the kids in the neighborhood! Richard has had a hard time with the loss of his mom, being an only child. She was sweet like your mom and everyone loved her. Maybe I'll get to call you one day soon when I'm in town and we'll visit. Keep her wonderful memories in your heart and God will continue to carry you through. Love you lots!! “ Dear Elizabeth, I was so saddened to hear of your Mom. She was such a wonderful lady! Everytime I saw her she always talked about the great times we all had. Gosh, it's hard to believe how long ago that has been. It's a shame we don't have time to visit! I will always cherish the childhood memories we had, and of course, your wonderful Mom. You and your family will be in my thoughts and prayers today and in the weeks to come.

“ Elizabeth and Rodney, I'm thinking of you all with wonderful, warm memories of your mom. I'm sure she and Mother are sitting back on a heavenly porch rocking and laughing as I watched them do in Oates.

My love to you all.
