“ Sweet, kind, precious Janie Lee, Frankie and Tonda. I am so sorry it has taken me until now to write of my sorrow, but joy that I had the pleasure of knowing Frank during the - of our lives. All I have read is about how helpful he was to everyone who has sent their condolences.

Do you remember when we first met? Everette had ripped our back door off the hinges cause he got tired of me locking the door key inside? We slept without a door for about a week, but Praise God, Frank Hall, worked after his regular job trying to get another one hung for us. That's when we first met ya. Both of you, going the extra mile and you both have continued to help others throughout the years. That is the kind of folks you have been. You raised a good man in Frankie and I'm sure we are seeing the same traits in the boys. Thought we don't see each other much because of our health now, remember I love you Janie and Frankie. May the God we serve keep His all seeing eyes set upon all of us. Let none of us forget where He has brought us from. Janie, you get out of that house and testify as you did to me so many times. One day I said Yes, Lord, Yes Lord! And He so wonderfully took me into His Forgiving Arms.

Well, sick or whatever, He is still God and He is able to keep us in whatsoever manner we find ourselves. I'm staying in His Arms and I know you are too.

Love In Jesus Name

“ Daddy just want to say how much you ment to me, i will always remember the time,s we would just sit in the swing an talk or work on what ever needed to be fixed. We may not have fixed it, be we give it our best shot.I remember the fishing trips we went on ,the last one ,you, me, and red dog (uncle tony) went to the river, when we went to sleep , you were up an when i got up to help you had 3 or 4 rods that were all tangeled up, we laughed an had so much fun.Freddie an i were talking about the red neck rodeos an how you even painted your truck to match the car,s we had.You were so good to dee an caleb,anything they ask for you would spend your last dollar on them. Daddy you were so special to me,you were my Hero,frend but most of all a man I was proud I was for anyone to know you were my dad. I am going to miss you so much, everytime we would go out side you would come out just to see the boys and me.I am so glad i got to talk to you even though you could,nt talk back, you shook your head,an i was the only one you would really answer. Daddy I am going to miss you so much. Things i do in the yard , i know i will look for you, but you're not going to be there. Thank you for for all the times you have .
