I will always remember him as a wonderful nurse, someone we could call on to get that IV without even seeing a good site. He was good at a blind stick. He always brought joy and laughter to the floor, especially when we had to call him to Peds. He was also a great supervisor. He will be greatly missed. “ It is said, “those we love don’t go away, if we remember them, they are here.”
What moves through me right now is silence, sadness, feelings that I have felt too many times these past recent years. I won’t pretend to understand all that God does or allows in this world, I don’t understand why Franklin left this earth so soon, or why he left before we were ready to say good-bye, but little by little, we begin to remember not just that he is gone, but he also lived. For the most part, a life well lived.

Moody family and friends, although it's difficult today to see beyond the sorrow, I pray that looking back in memory helps to comfort your tomorrows.

We had a great and long conversation on Wednesday, and I am only sorry that I did not know how truly terribly he was hurting. Human beings are good at hiding things, and we have to live and let live as best we can. He helped me a lot, and I would like to think I helped him with bumps in life's road at times. He was kind. He really was, and he loved his family. Life is not always easy. It really isn't. May God have mercy on his soul. To his family, you are all in my prayers. “ Mrs. Christy and the girls, I was devastated to hear the news of Mr. Franklin's passing. I remember working in ICU and he would come have his lunch in the breakroom just so he could watch *The Big Green Egg* show. We would talk about grilling and what his favorite food was to cook. He will be missed dearly and if you need anything, please let me know. God Bless! <3
