“ *Memories of You*  
by Unknown

*I remember everything about you,  
your voice, your smile, your touch,  
the way you walked, the way you talked,  
the way you looked at me, meant so much.*

*I remember all the words you said to me,  
some funny, some kind, some wise,  
all of the things you did for me,  
I see now with different eyes.*

*I remember every moment we shared,  
seems like only yesterday,  
or maybe it was eons ago,  
It's really hard to say.*

*You are gone from me now,  
but one thing they can't take away,*

*your memory resides inside my heart,  
and lights up my darkest days.*
