“ Karen-  
It has been the better part of 30 years since I have seen or talked to you, but I feel compelled to let you know that my thoughts are with you. You have obviously been through alot.

I've thought alot these, past few weeks, about the "good old days" at HHS. It's amazing what's stored in the 'ole "memory banks"!

Again, I'm thinking of you and your family and wish you all the best.
