

Mr. Garrison Lee Murph

May 9, 2008 - August 4, 2019

A celebration of the life of Mr. Garrison Lee Murph, 11, who entered into rest on Sunday, August 4, 2019, will be held at 4 o'clock on Thursday, August 8, 2019, in The Center Theater, downtown Hartsville, SC. The Rev. Phil Thrailkill will lead the celebration. Following the service, Garrison's friends are invited to Garrison's Place Playground in Byerly Park as we release balloons in his honor and pay tribute to a very special life.

The family respectfully invites you to dress in casual and colorful attire because Garrison loved beautiful colors! Brown-Pennington-Atkins Funeral Home is caring for the family.

In lieu of flowers, memorials may be made in his honor to Leo's Pride Foundation, www.leospride.org

Garrison was born in Florence, SC, the son of Leon and Angela Edd Murph. He was diagnosed with SMA Type 1 at the age of four months. He was not expected to live to be twelve months old.

Garrison loved firetrucks, monster trucks, police trucks, and his favorite book was The Gingerbread Man. He loved animals and Yankee Doodle. He loved riding in the golf cart, making gingerbread houses, dying Easter eggs, going to the zoo, wrestling, tickle fighting and reading with his sister, Taylor -- She was his best friend. He loved getting kisses from his brother, Reid.

Garrison's Place at Byerly Park was named in his honor and is a place where all abilities can come and play. His cognition was unbound by his disease, and he was a very smart boy who had a truly bright and beautiful soul.

He is survived by his loving parents, Leon and Angela Murph of Hartsville, SC; sister, Taylor Murph of Hartsville, SC; brother, Reid Murph of Hartsville, SC; paternal grandparents, Lee and Gail Murph of Greenwood, SC; maternal grandparents, Bill Edd, Jr. of Wilmington, SC.

He was preceded in death by his maternal grandmother, Cynthia Edd, and his sister, Everly Cynthia Murph.

“ *May God embrace you all in His arms and give you peace and calmness.*

Garrison was a wonderful gift from God to all of you. I will never forget how much love I felt from your family for each other. Angela, Leon, and Taylor devoted yourselves each and every day for Garrison and in return he loved you and smiled and enjoyed the many advantages you gave him. You took him places so he could experience happy times with his family. You let him have sled rides in the snow. He loved watching videos. I remember seeing him do school work. Yes he has gone too soon, but God wanted him home. He has a full eternal life now where he is enjoying our real home with the Lord. You will see Garrison again. He was here for a purpose and you were chosen to be his faithful and loving family. I have seen Reid through pictures and what you have written about him and I know that he loved his big brother also. I am asking God to watch over you, Leon, Taylor, and Reid.

I pray for you all and love you with all my heart! May God make each day easier for you all. Thank you, Lord! Amen.

“ *Angela, I can't imagine the pain you and your family are experiencing right now. My heart is breaking for all of you. Your little man touched so many lives, in his short time on this earth. We just have to have faith that God has a plan and He makes no mistakes. I truly believe that God places His special angels with special parents. Yes! Garrison was your life, but you were literally Garrison's life as well. It was your strength and courage that kept him alive for 11 years. Garrison now has a new body, and he is in the presence of our Lord Jesus Christ. Please know that our hearts are filled with prayers for your family. I am going to place a memorial ornament for Garrison, on our memory tree at Harmony Baptist Church.*

“ Garrison, you were such a cute, ornery little boy. I can remember coming down to your birthday party and saying hello to you and you would holler at me to get out of your face so you could see you mommy. Or being in the hospital in Wisconsin where your momma and I would break all the rules and let your and Jake's sister play together in your rooms and make the nurses so angry. If I came within a foot of you, you would yell at me to make sure I didn't do a treatment. I am going to miss your sweet smile and the amazing things you could do on your eye gaze; I could never get Jake interested in his. Fly free little man. Take care of your sister and grandma. And one day we will meet again.

“ I will never forget my time making music with Garrison! Even though it's been a while, watching him grow and defy odds has been such a blessing to me. Angela, you are a warrior. You provided him with every opportunity possible. You have cared for him to the fullest. You've been not only a voice for Garrison but so many others. Sweet Taylor, you've been right beside him every step of the way. My prayers are with your entire family in the days to come. Love to all of you!
