“ Miss Sadie,

*I am so sorry to hear about Gene Bass passing. I have so many wonderful memories of spending time with both of you at the beach and in Hartsville when I was young! You were like grandparents to me. When I looked at the picture of him, I immediately smiled! I am so sorry that I won't be able to be at the service today, but my thoughts and prayers are with you and the whole family.

some of hem with my friends and family. With that being said, his
sense of humor and love for his goldfish has been passed down and
remembered by not only your family, but others that never had a
