“ My only association with Geneva was at Gum Branch Baptist Church, and that for only a little over four years. She was a member of my own parents' generation and she exemplified everything my mother taught me about a true "lady." I don't think I have ever known anyone who was more genteel than she; and her quiet spirit was quite an inspiration to me. I am certain that everyone at Gum Branch will miss her presence there as much as I will. May God richly bless all of you with the comfort and strength that only He can provide. With deepest sympathy, Rachel Medlin##imported-begin##Rachel Medlin##imported-end##
