

## Miss Genevieve Jones

February 7, 2007 - August 8, 2017

Funeral services for Genevieve "Genni" Marie Jones, 10, will be held at 1:00 pm Saturday, August 12, 2017 at North Hartsville Baptist Church. The Rev. Ladell Humphries and The Rev. William Vaughn will officiate and the family will receive friends one hour prior to the service.

Genni went to be with Jesus on Tuesday, August 8, 2017. She was born in Sumter, SC, on February 7, 2007. Genni loved cats and could be found many times pretending to be one by meowing and purring. She enjoyed passing time by listening to music and reading a good book. She was captivated with Disney princesses and was thrilled when she got to go see them at Disney World. Genni had a determined spirit and will be remembered most for her captivating smile and big brown eyes that would warm your heart.

Over the past few years Genni has lived with her foster parents, William and Jessica Vaughn and family. She is also survived by her mother, Amber (Thomas) Sandifer of Sumter, SC; biological father, Jack M. Wallace of Sumter, SC; dad, Thomas I. Jones of Sumter, SC; brother, Sebastien S. Walker of Sumter, SC; sisters, Elizabeth L. Jones and Zaileigh R Jones both of Sumter, SC.

Memorials may be made in Genni's honor to North Hartsville Baptist Church 1117 Patrick Highway Hartsville, SC 29550.

Brown-Pennington-Atkins Funeral Home is serving the family. [www.bpafuneralhome.com](http://www.bpafuneralhome.com)

“ *I know it's late but I been thinking of the perfect thing to say. I was there the day my baby girl was born. From the first time I held her I just knew great things will come from her. As she grew and her love for animals became apparent I imagined her being a vet. But she became something far more great. She was the one who could put a smile on anyone's face. Even the grumpiest of people. I spent years away from her that I wish I could take back and spend with her. But these two years I had with her was the best times. I got to grow with her as a father. You know it's hard as a parent to watch your child suffer. But it's a joy as one to watch her touch so many peoples lives. And she did just that. Rest in peace baby girl Daddy loves you. And I would like to say thank you to the Vaughn's I know y'all loved her as she was your own and that's exactly what she needed at times like these. You where her home away from home thank you for taking care of genni.*

*“ Thank you William and Jessica Vaughn for opening your hearts and home to our grand daughter. She was loved unconditionally, and given the best you had to offer. Our gratitude can never be expressed adequately. Our Lord Jesus Christ has her now, where she is healthy, running, and sharing her joy in heaven. A great many people and families were blessed by having a part in her life here on earth. While we will miss our Tinkerbelle, we were blessed in having her for a very short time. God's grace is with all of her family. Very few children can say that they have multiple sets of family, Genni did. She was able to touch many more people than usual, because of her unique circumstances. So many people have a part of her in their heart that otherwise would never have known her joy and love. I know that we who are Christians will see her again. May our Lords Peace and Love reign as we come together to celebrate His gift to us, as we return her to Him, and her light that now shines eternally in perfection.*

“ *Genni was one of my fave kids. She always had a smile and a hug for me when I got to see her. When I first found out I had cancer and we explained to her and the others kids she gave me an extra tight hug and told me she loved me. When I shaved my head before treatment she still told me I was beautiful. It breaks my heart to hear she passed but I know she is no longer in pain. We love you Genni and you will always remain in my heart.*
