Hugh,
I met your dad when I was working for the Hartsville Area Developmental Center-now the Lou Scott Center. Your dad helped keep our vans on the road when no one else could-he was such a nice man! I loved your momma dearly - she gave me lots of good advice when I was a young mom to Patrick-she and I used to keep the nursery at St. Mary's on Saturday night. You were blessed with two wonderful parents and you know you were their joy. We are so sorry for your loss, but know that Heaven and your momma are rejoicing that Mr. George is there!

“ Dear Hugh and Family, We loved and adored your Dad, and thought the world of our dear friend, Mr. George. Our many conversations in his garage about life, his younger football days, his special family and his beautiful Adele will be treasured by us forever. What a wonderful man we were lucky enough to know. The many pictures he always had surrounding him in his office filled his heart with love, pride, and pure joy. Our thoughts and prayers to everyone who loved him.

Hugh, we just read of your dad's death.... We would have been at the visitation had we known.... He was a good friend and always so welcoming to us and glad to see us... he never failed to remind me that I taught you in kindergarten and would sing this little rhyme that he remember from then.. "there's Miss Linda sitting in the window!" You are blessed with many good memories! Thinking of you and yours, Linda and Louis Yount

“ How does one say goodbye to a friend of 50 years! I stopped often to talk to George and Adele. They were always so happy so in love. George was also my mechanic. He was always so fair with his prices and his work was skilled. I always told him he didn't charge me enough and he would smile and say "you can pay me the rest with a hug." Sometimes we would sit and talk about OUR Crimson Tide. Until me meet again, I will continue to cheer for 'our Tide" and say Roll Tide Roll!

George played high school football with my brother Bobby. He had dinner at my house a number of times where he, Bobby, and WC Morris would re-live their football days. They were hilarious. He also took care of me during the gas shortage of the 70"s. I have never known a finer man. My heartfelt condolences to his family.
