“ School wouldn't have been any fun without "Frankie" We didn't call him Frank then. He was always full of life and a joy to be around. I always considered Frankie one of my best childhood friends. I saw him a couple of years ago briefly and he was the same guy to me as always. Wish I had been able to see him and his family more often, but I moved away in 1978 and unfortunately didn't see him as often. Rest in peace, dear friend.
