“ I have always loved Uncle G.W. He was always so kind and gentle. It had been years since I had seen him until a few months back and he still looked good. My thoughts and prayers are with all of his family and friends. It should bring comfort knowing he is rejoicing with our Lord in Heaven now.

Much love,

Mr. Privette has been a member of our church family for a long time. He was an example to all of us in the way we should act and the way we should visit and care for others. He will be missed for a very long time. We are praying for his precious family and friends who were so important to him
