“ *Sometimes when he would get into a certain mood. He was a MSGT, before he retired and at home sometimes that mood would hit. You aren't doing it the way it's supposed to be done. The only way that I could get him to stop doing that, was when he stood up. I came to attention and would salute him, and replied to him you are correct but I'm not one of your soldiers. He would sit back down, and not say anything else. Sure do Love and Miss him.*
