“ Nancy, I just learned about Jerry's death today when reviewing RPI Reunion 2023 material online. My name is Mike Tackett and I was a classmate and friend of Jerry at RPI. I am deeply saddened by Jerry's death. He and I played intramural sports together, winning the school championships in softball (I think senior year) and touch football (my graduate year). Jerry was QB on our championship football team and I was tight end. He threw 2 touchdown passes to me for our 12 points; I think the final score was 12-7. Jerry visited my wife Barb and me in New Orleans with another friend from the football team, Tommy Leitsch (spelling?), shortly after I began my career with Shell Oil in 1974. They rode motorcycles on a trip and stopped by to see us. I don't recall if I ever saw Jerry at any reunions, so that would have been the last time I saw him. He was a great guy and really good athlete. We shared such fun and memorable times together. I actually tried to contact Jerry a few years ago, but we did not connect. I am so sorry for your loss; my prayers are with you today. If you'd like to contact me, my email is mtackett@comcast.net. May the Lord Jesus Christ give you the comfort that only he provides.

“ Jerry (affectionately called G Dub around the office) was always quick at everything. Quick to help others, he had a quick wit and always was quick to give a smile. He will surely be greatly missed. Prayers for Nancy and family. I am so sorry to hear of Jerry’s passing.
