“ "Grandma Turnage" gave my first child, Michele, a kitten. After one weekend, we discovered I was allergic to it. Mrs. Turnage said she would keep the kitten at her house so Michele could see it everyday when she came to Momma Byrd's Daycare. Instead of finding another home, she kept that kitten for Michele. The cat lived until three weeks after Michele died. Thanks "Grandma Turnage" and "Momma Byrd". We love you! Sue and David Neal

“ It was an honor to know and love Mrs. Turnage. She was truly a jewel. When I first met her about 9 years ago, I was so impressed that she ran errands for and checked on "old" people. She had such a loving, sweet spirit and genuinely cared about others. She loved the Lord and I know that she's walking the streets of gold with loved ones now. I'll miss her hugs and our chats. My thoughts and prayers are with her family that she loved SO much! Kay Hayes, Women's Care of Hartsville

“ Praying for God's grace to surround all of you during this time. I know how much each of you loved your mom and grandmother, Gertrude was a very precious lady . She was a loving person that cared about others, she was a very independent lady, and had a very great mind that remembered everything, I know that each of you learned a lot from her, take what she has given to you all and apply it to your life's, which I know that you all do. She is in Heaven now and she has finished her course on this earth and she finished it well God has surely blessed you all with so many years with her for that you all have a lot to be thankful for although I know it does not make it any easier to let her go. But since God wanted her to come home, she would not want to come back because of all the glory in Heaven, she has been completely healed Just know that Gertrude loved each one of you with all your heart .

“ Our birth is but a sleep and a forgetting:
The Soul that rises with us, our life's Star,
Hath had elsewhere its setting,
And cometh from afar:
Not in entire forgetfulness,
And not in utter nakedness,
But trailing clouds of glory do we come
From God, who is our home:
Aunt Gertrude thank you so much for blessing our lives during your stay upon this earth. Let us always remember your love and kindness. Blessing it be you home coming in your heavenly abode. I'm sure Granddaddy, Grandma and Oleen were there to welcome. You will forever live in my heart.
