“ Gladys, Ryan, Robin and extended family - we were so shocked & saddened by your loss. For more than 30 years you were my neighbors. Even after I moved from the neighborhood, you remained faithful friends. Thank you for your kindness when I needed it. Harry loved Dean, not just as a "fishing buddy," but as a trusted friend. Ryan, too, is very special to him. We pray for all of you and are here if you need anything.

“ Mrs Gladys, Robin, and Ryan we were so shocked and hurt to hear about Mr. Dean He was such a special man and your family has always meant alot to us. Daddy is in the Hospital he had to have surgery, but when he got out and was aware of what was going on we told him and he was really upset. They wanted me to tell ya'll you are all in our hearts and prayers and if he was not in the hospital they would surely be there. I was coming for him but I am keeping the kids for mama and don't get to leave until after 6 and Michael has a Fire meeting tonight so I want be able to be there either, but I am Praying for you and praying God will give you a peace that only he can give right now no words can be said at a time like this to help our only refuge is our Father in Heaven and he is the only way to get through it. We love ya'll and wil continue to pray . Please let us know if you need anything and we will do anything we can. Renee.P., Michael Noah Webb, Carl and Evelyn Purvis
