Words for Gisela from the family:

Today the world has lost a wonderful wife, mother, grandmother, sister and friend inside and out. But God has gained a beautiful angel and we know you will be watching over all of us. We love you so much and will miss you every single day until we see you again. You will live on forever in our hearts.

She was tough and told you how it was. She was healthy and independent and loved animals! She was number one to papa! I've never seen anyone express love so much for someone like papa did for her. We love you and miss you dearly!

“ Really gonna miss our early morning conversations on my way to work while u was at work although u was busy preparing food u always made your way from behind that bar to talk to me "I would ask u every morning how's your daughter", and u would go on and tell me about her then u would listen to my life stories but u never discussed yourself n it saddens me a lot to hear of your sudden passing... You are such a sweet and pleasant soul that's really going to be missed I will never ever forget u Mrs. G . I remember when I first met u I ordered a cup of grits with cheese and I asked for some salt n pepper packs so every morning after that if I ordered grits you would take the time to open the salt n pepper n pour it in the grits little moments like that are special may your sweet sweet dear soul REST IN PEACE!!
