“ *To the Family. I have known Glenn a very long time. I have really enjoyed going to the shop he had on west Carolina Ave years ago across from ashcraft Studios. On the same lot where the fire department is. He was a great friend and he will be missed by all who knew him. I've enjoyed the times I visited the shop and he allowed me to help with things there. As well as visits at the home. Please know that I have all of you in my prayers for God's hand to reach out and comfort you during the days ahead.*
