“ I will miss Gloria, can't believe she is gone. I have know her since jr. high and was lucky to have got to visit her several years ago. So happy she found the love of her life and started a new journey. we had a lot of great times together which I will always remember. I know she is starting a new journey now and my sympathy to her loved ones, she will be missed!

“ I'm probably one of the oldest friends Gloria had. We go back to Jr-Hi .and Hs. We tried to keep in touch with each other. and what was going on in our lives. She got a second chance with the love of her life and got to move to S.C. and get married. I;m going to miss my good friend and I know she'll be watching over me till we meet again. love you
