Oh Terry and family, I hardly know what I can say. I love you and love your Mother. It doesn't stop with death. She has the perfect name because she was full of Grace and love always. She is still in your heart as is God. I pray for your peace and comfort.

Grace was a beautiful soul on this earth. She will be celebrating a very special Christmas this year with her loving husband and others that she knew. She was a caring, joyful, and loving person. She pierced my ears years ago while working at Sara Lee Hosiery. That is something that I would not have allowed just anyone to do. I trusted her. She had a beautiful smile and laugh. She could bring out the best in anyone. She was a joy to be around. I know this is very hard for all of you, especially at this time of year. The one thing that you can be assured of is that she is with God and she will always be around you in spirit. She will still guide you through your life. May God comfort you and bless you all. My prayers are with you!

Me and my Dad would like to express our deepest sympathies for the loss of Grace. My Dad (Doodle) to Grace is deeply saddened by the loss of his favorite cousin. He loved her very much. And I know she loved him as well.
