“ To each of you in the family, I offer my deepest condolences. I remember Grace from my time at Swift Creek while serving as minister of student there. Each thought of her brings a unique feeling of fun and laughter to my heart. I can still remember her telling the store of Mr. Bill moving a piano with a wagon and a mule shortly after they were married. She told of how the wagon tipping over and how he lost the piano. She just giggled as she told of how loud the noise was and how far away you could hear it as it crashed to the ground. Her sweet spirit and fun nature will be missed. May her faith and the love she held so dear for her family offer you comfort during this difficult time.##imported-begin##Brian Gandy##imported-end##
