“ *Fairland,
What a blessing you are. I came to your house looking for someone that had all patience to have a daycare for children. You and Grady excepted Ariel and she became like your grandchild. She loved you and Grady so much. First day of kindergarten she informed me that Grady was taking her. Grady took a picture of her and had it enlarged. Thursday I was going through things in folders and there was Ariel's picture Grady had taken. I came into the living room to sit and get my iPad to read First Baptist Church newsletter. First thing I noticed was Ruth had posted of Grady's passing. I called Emily and she and Rachel were on their way to pick up dresses. We spoke of Grady and your lives. Fairland always remember we are only a phone call away anytime.*

“ Fairland, my sister, I want you to know you had the sweetest most caring husband in the world. He always put your feelings before his own.
When he was so sick in 2000 we prayed for wellness and God granted that request. He came home and lived approximately 21 years. God gave Grady back to you. He knew you needed help to get you to retirement and years over.
This time God wanted Grady so he wouldn't have to suffer any longer. God saw you were strong enough to make it on your own for a little longer.
At the time when we pray we don't always see the whole future but God does. He saw in 2000 what you and Grady had gone through and that you still needed Grady's support. March 11, 2021 was a beautiful day in heaven. Grady was called to his heavenly home. We all loved you Grady and we all love you Fairland. May God bless!
