*We sure miss you Guy, more and more everyday. Dillon needs you in his life more now than he ever has before. Please watch over him and whisper in his ear when he needs you to help him make decisions that he can't make on his own. He's at such a hard age now and he really needs you to talk to about things that are going on in his life right now. You always told me that you were coming back to haunt me and right about now would be a great time for you to do that! I need some advice and I want to handle this the right way but i'm not sure if I can, I sure could use that visit really soon if you can work it out. I know that I'm not supposed to question anything the Lord does but, taking you away from everyone, especially Dillon, that needed and depended on you so much is a move that I will never, ever understand til the day i die. Everbody always loved your devilish smile so keep it up cause that's what i want to see when you get here! Until then. I'll be waiting!*

“ Little Guy will be missed greatly by many people.He had an infectiuos laugh and was always picking at you about something.But most of all he had a huge heart,he'd do anything anyone needed,all you had to do was call.I've known him all my life and he never saw you that he didn't hug your neck and say "it was good seeing you".He was like part of our family.He will be missed forever.Remember him with smiles and laughter,that's what he'd want.My prayers are with his son,Dillon,and the rest of his family.
