“ I just read of Gwendolyn's passing. Our loss is surely Heaven's gain. I realize that is of little comfort to her loved ones, but my prayers are with you and I know they will comfort you. May they help you in the days and months ahead of you as you reflect upon just what a precious spirit she had and shared with everyone she knew.

Gwen has been like a second mother to me. She had always been there for my Family. She has never been a stranger to no one & if someone was in need of her help she was there. Angela & Will it is a hard road to go down but let God Guided your family through these rough times. We will be praying for you all & will be asking for only God's Strength. Let God hold your family up. But in my heart I always said Gwen & my own mother Mary Franklin had always looked like sisters .
