Sandra, I have so many fond memories of Charlie, he was just an all around good man. I so enjoyed our chats when he would come by the shop when he was out on his errand runs. He would say I better go and get my other errands done, cause my bride will be wondering where I am or if I am lost. There are many memories I could share especially the day you and Charlie married. I feel honored to have been a friend. Sending much Love and Prayers to you. Jennie & Blake
