“ Prayers to all of his family. He was a wonderful teacher and he shared his vast knowledge with me. I left Hartsville and took his teaching with me to Texas, Germany, Turkey and the Gulf War. I never had to wonder not once when my many crappy trucks broke down what to do because I could hear his voice in my head telling what needed to be done. I owe him a wealth of gratitude I can never repay. From Student to Soldier to Veteran..... I thank you for your kindness, discipline and knowledge. GodSpeed!!
