“ Dear Johnson family,  
I'm very sorry for your loss and wanted to express my deep regrets because death brings nothing but grief and pain and though we don't know each other I would like to share what helped me when this enemy took my entire family but I found comfort and hope in what Jehovah Gods word the Bible says at John5:28,29 and there Jesus tells us we'll see our love one again because he's going to resurrect them and this is what helps me get through each day and I truly hope this will help you also in some way for this is my purpose in sharing this with you. Please know that I do share your grief.  
Sincerely, GM
