“ *Dear Hugh and Ann,*

*Harold and Patricia (my aunt) were very lovely people and kind to me and my siblings growing up. While Patricia has been dead for over 30 years (perhaps more),Harald and his children have remained close to Patricia's clan, attending family reunions, weddings and funerals. Harold kind voice and cheerful face will be missed.*

“*Hugh and Ann, I was so sorry to hear of your dad's passing. I first met Harold at Sonoco. He was a cousin to my late husband, Hubert. I remember visiting your grandparents, Neal & Alma, when my mother-in-law (Mallie, who was Neal's sister) would come down from Hamlet, NC to visit us. Give my condolence to your aunts, Jewel and Margie. I will be out of town during the memorial service, but I will keep you in my prayers. May God bless and comfort you during this time.*

“ Harold was my first boss at Sonoco in 1963. I was a summer trainee and he was new on his job. Neither of us knew what we were doing. The department was called "Better Methods" and was located over the old Clock House. Great memories!
