“ *Robyn and Sharon,*
I am so sorry for the loss of your Mother. I know that there will never be a day that you don't think of her. I want you to know that you and all your family are in our prayers. Here is a poem I thought you might seek some comfort in.

*Now that I am gone,
remember me with smiles and laughter.
And if you need to cry,
cry with your sister
who walks in grief beside you.
And when you need me,
put your arms around anyone
and give to them what you need to give to me.
There are so many who need so much.
I want to leave you something --
something much better than words or sounds.
Look for me in the people I've known
or helped in some special way.
Let me live in your heart
as well as in your mind.
You can love me most
by letting your love reach out to our loved ones,
by embracing them and living in their love.
Love does not die, people do.
So, when all that's left of me is love,
give me away as best you can.*

*We love you all dearly.

“ Charlie, Robyn and Family: I am so saddened to hear of Harriet's death. She was such a sweet person. I enjoyed talking to her at Ocean Lakes and will miss her coming by. She would always have her dog with her which she loved dearly. I know your place at the beach will not be the same without her. She really loved the beach. My thoughts and prayers will be with you during the difficult days ahead. May God bless each of you.##imported-begin##Linda Thompson##imported-end##

“ Dear Mr. Foster, May God bless you and watch over you during this difficult time. We only had a few minutes in meeting each other at Ocean Lakes but we knew we would like you and Mrs. Foster. Billy & I were at our beach house in OL working in the yard when you pulled up to ask us a question. We had no idea you both were from Hartsville, when you stopped by to ask where Hartsville was. And of course we began to tell you where it was and brag on it. Then we finally realized that you guys were just reeling us in like a fish. We well always remember your dear wife with you laughing at us as we laughed at ourselves! We can't imagine your loss and the difficult time you will have when you go back to the beach house without her. If there is anything we can do for you, please let us know how we can help! We will keep you and the family in our thoughts and prayers.##imported-begin##Billy & Debbie W Smothers##imported-end##
