“ We are so thankful that we had such a great visit with Harriett and Ray after our family Dinner last Christmas in Florence. Harriett was very upbeat, pleasant, and talkative, although she was dealing with her disease then. We would never have known it, had someone not mentioned it during our lunch. We seldom see our SC relatives because of distance, but it will not be the same not to see Harriett there. May God comfort her family. Stanley and Gloria Willis, Wilmington, NC
