“ Claire,

I am so sorry!! I know you can never be ready to lose a parent. I remember how your mother adored you!! She had many reasons to be proud one of which I am sure was the kindness we all saw in you. She would even let you miss school that one day a year to take you to the State Fair. Although we do lose touch with special people in our past, you never forget those who touched your life in such a special way. Your Mom will continue to touch lives through each of you.Please give Bobby and your Dad my love, too. You are all in my prayers.###imported-begin###Jeda Kelley Brandel###imported-end###

“ Claire, I was saddened to hear of the passing of your mother. My memory of her goes a long way back...to when you and I were in the 4th grade at Thomas Hart. I remember her as a very gracious and loving person. My thoughts and prayers are with you during this time.###imported-begin###Christy Pait Groce###imported-end###

“ Bobby and Claire, I doubt either of you remembers me, but your parents were always two of my favorite people. Harriette was especially kind to my next door neighbor, Ruth Tyner, and the three of us often went out for ice cream in Ruth's last years. When I downsized to an apartment, your mother and father bought some of my parents' furniture (which your father refinished for a granddaughter, if I am not mistaken) and your mother bought their Sonoco Sterling Silver Goblets to add to her own set. I haven't seen her is quite some time, but I will miss her cheerful, bubbly self. I offer my sincerest and deepest sympathy to you and your families at this time.
