“ i remember her from when she had what was the airport store,most people probably remember it as Brown's back in the day.I used to sell her my pepsi bottles for money to play the video games she had in the back of the store. She and Russell were known by my family my whole life and it was a pleasure to have known this woman.

I loved stopping by and talking to Harry Dell especially when she was in the old store. She loved to talk about flowers and she would save a new movie for me sometimes. I would stop by to get a chili bun and an ice cream cone. Sure do miss those days.

So sorry for the family's loss of Harry Dell. She will be truly missed. Harry Dell knew me ever since I was a little girl. I would be in her store and when someone would come in she would say....."I used to tote that girl around on my hip when she was a baby." I would go by there lot of times on Saturday and get a hot dog and we would sit around and talk... she always had a story to tell. I loved Harry Dell and I will truly miss her. My thoughts and prayers are with the family. God Bless.
