“ *Mary Jane,*
We are sorry for your great loss and we will continue to remember you and your family in our thoughts and prayers. Harry was a wonderful friend and a great person to have as a boss. I don't every remember seeing him that he didn't have a smile on his face and an outreached hand to help everyone. I cherish the days at IMC and will always be grateful to him for everything. God will guide you and keep you strong.
Love
