I will never forget all the good times we had hunting and fishing. Some good days and some bad days but we always got over it somehow every time. I'm truly going to miss you man but you'll always have a place in my heart and you'll never be forgotten!! I just can't believe you're really gone! I dont want to believe it's true!

A little early morning note. I know your somewhere up there smiling. If I know you your either holding your angel in your arms or off fishing with Deaddy if not both. I miss you everyday. I know that I can say. Thee last thing you ever said to me was I love you too Big Brother. I know what happened to you. All I wanna know is that you didnt die for nothing. Because we all know your a fighter Only you know so while your singing and dancing in the sky with Ashley. Hunting or fishing with Deaddy, please whisper the truth to me threw the wind that blows. Love your Big Brother.
