“ Dear family, I'm sorry to hear of Ms. Byrds passing. Even though she knew my family from way back, I only met her a few years ago at Carriage House where my Grandmother (Bonnie Bryant) was living. Ms. Byrd was always cheerful, smiling, she always liked to talk and as someone else mentioned she had a great memory and would recall things about my Dad (Tommy Lee) from her high school/early adulthood days. Thinking of you and praying during these difficult days. Kim Bryant

“ The Carriage House of Hartsville has lost a good spirit. I've never met anyone who had memory like Mrs . Ann because Mrs Byrd was her mother as we were told 😊. You was and are still well loved.

“ The world will miss this precious lady, especially those of us who went to school with her. She was a good friend. I will always appreciate her for taking such good care of Ms Mary in the Carriage House. She was so sweet and thoughtful with her and called me often to update me on how Mary was. I know that that will be a boring place without her. She had an amazing memory and could tell me the birthdate and marriage date of every person that I graduated with. My condolences to her daughter and her family.
