“ Uncle B was dear to the Northcutt girls. He was our mother's younger brother whom she loved . Our fondest memories of him are the times he spent in our home and visits with mother. He was a caring man and extended his love to others in various ways. We are so glad that he and mother were able to celebrate his birthday together last year. He is in the care of our dear Lord now. Our prayers are for his daughter and grandchildren.

“ So sorry for the passing of our good friend HB. We had so many good times with HB and Pearl over the past many years. They were such good friends with mama and daddy and we always enjoyed listening to their many experiences. I'm sure HB is now at peace back in the presence of his beloved Pearl. I can see them now sitting around a table in heaven playing poker and laughing. Oh the memories we have with them. Love to Terri, Hillary and Tracee.

“ One of my fondest memories if my Uncle HB was his laugh and his bread and butter pickles. We did not get to see him often but he sure filled our time with love and laughter. Will miss knowing he was always there at the end of the trip!!
