“ I worked with Hubert at the H B Robinson nuclear plant from 1978  
until he retired. He was one of the neatest, most organized people I  
have ever met.  
He provided friendship and support for me when my brother died in

“ I am so sorry to hear of your loss. I will always remember Hubert's keen sense of humor and his love of Porsches. I use to admire his when I walked in the neighborhood as he was out in the drive caring for it (I can't say cleaning it because it was always better than show room clean!). I'd compliment him on it and tell him that I'd love to have one but would never be able to afford one...he'd laugh and say "Oh, GO FOR IT!" When I did finally get my own he was so funny telling me "No wonder you waited so long...you didn't tell me you were holding out for a 911 ragtop!" He was sincerely happy for me. The last time I ran into him at the store I was driving a van...he looked at me a bit confused, inquiring about my Porsche. About that time my twin boys jumped out the sliding side doors and he said "I understand". Whenever I see a red 911 Porsche I will always remember him. It is our hope and prayer that you all find comfort in the love and memories you all shared.

Sincerely,

Rebecca Skinner-Fulmer & Family,
